

RSCDS Hamilton Branch Dancer's Agreement

2022-2023

- All in-person attendees must show proof that they are fully vaccinated. A person is considered fully vaccinated against COVID-19 two weeks after their second shot of a two-dose series.
- Masks are currently at the discretion of the dancer. Participants should bring their own masks.
- Participants may wish to bring their own drinks and refreshments. The Branch anticipates providing refreshments at social dances, but this may change.
- Hand sanitizer will be provided. Its use or frequent hand-washing is recommended.
- All in-person attendees agree they will not attend any Branch class or social event if they are not feeling well for any reason, have tested positive for Covid in the past 5 days, are awaiting test results for Covid, or experiencing any symptoms of Covid, have been in close contact with anyone with Covid, or have travelled outside of Canada in the past 14 days unless exempt from federal quarantine requirements, please stay home.
- The RSCDS Hamilton Branch will keep a record of all attendees at each event.
- Even when precautionary measures are taken, participating in Scottish Country dancing – which necessarily requires rigorous physical activity and close contact with other persons – involves risk of serious physical injury and/or exposure to serious communicable diseases, including COVID-19.

***When choosing to attend SCD events, participants acknowledge and accept that risk.***

I acknowledge that I understand and accept the above policy.
